## 35020 LEADING ROLLER SHUTTER MANUFACTURER & INSTALLER - PROFITABLE

Take advantage of this rare chance to acquire a highly lucrative and long-standing roller shutter business with 35 years of industry expertise. Specialising in the design, manufacture, and installation of premium roller shutters, including aluminium and flame zone options, this business has built an outstanding reputation, with a devoted customer base driven by strong word-of-mouth recommendations and repeat clientele.

Operating in a niche Australian market with limited competition, this business enjoys a distinct advantage and commands a substantial portion of the market. The demand for their superior products continues to grow, particularly among builders and homeowners involved in property development and renovations. The flame zone shutters, in particular, have become a flagship product, fuelling impressive expansion and profitability.

Situated in a prime commercial location, the business runs from a fully outfitted factory, ideally positioned for operational efficiency and ease of customer access. Over the years, it has earned a solid standing in the industry, supported by a dependable and experienced team who ensure seamless operations and uphold the high quality that clients expect.

With a track record of strong profitability and consistent revenue increases, particularly from the booming flame zone shutters, this business presents substantial opportunities for further growth and market reach. It operates as a turnkey operation, with all systems, processes, and an expert team already in place, making it an ideal acquisition for anyone looking to invest in a flourishing, ready-to-go enterprise.
