35209 SMART TECHNOLOGY PRODUCTS - IMPORT & WHOLESALE BUSINESS

Step right up to a fantastic business opportunity in the world of smart technology! This owner-operated gem specialises in importing cutting-edge smart door locks from overseas and wholesaling them to various businesses, including locksmiths, door handle retailers, builders, developers, and architects. With a focus on quality, these products are commercially fireproofed and come with the coveted fire rating to meet Australian standards, making them a must-have for anyone looking to enhance security with style!

The demand for smart technology is booming, and this business is ideally situated to seize that momentum. With globally recognised awards for its innovative products, the business provides dependable technology that truly stands out in the market. With limited competition, this presents a fantastic opportunity for someone eager to make their mark in a growing industry.

Working from a cozy home office allows for flexible operations. The business can be seamlessly run online, with occasional meetings in major cities to discuss exciting commercial projects. The user-friendly website highlights a variety of products and stockists, ensuring B2B customers can easily navigate their offerings.

But wait, there's more! With a mutual agreement with the overseas supplier for sales distribution rights on commercial projects, the growth potential is tremendous! By leveraging strategic marketing and advertising initiatives, it can attract more clients eager to adopt smart technology.
