35230 HIGHLY PROFITABLE IT BUSINESS - FLEXIBLE OPERATIONS

Looking for a solid, reliable, and well-positioned IT business in Southeast Queensland? Here's your chance to own an established IT service provider that's been serving small to medium-sized businesses since 2001!

This company acts as the external IT department for businesses without in-house teams, providing all-inclusive IT solutions, internet, phone, and cloud services. Based in Brisbane, the business boasts a dedicated client base, with many customers who have been loyal partners for over a decade – and some for nearly two!

With highly detailed documentation and efficient systems, daily operations run smoothly, creating a hassle-free experience for both clients and staff. A dedicated team of long-term contractors keeps everything running seamlessly, allowing a new owner to manage operations from anywhere. Whether you're looking to add a profitable branch to an existing company or seeking a stand-alone venture, this opportunity is perfect for a flexible, remote management setup.

In a time when demand for outsourced IT support is soaring, this business stands out as a growth-ready investment. The strength of its recurring revenue from managed services and a stellar reputation for quality service make it a unique chance for buyers eager to expand.

Key Features:

- Comprehensive IT solutions including internet, phone, and cloud services, catering to small-to-medium businesses across Brisbane.
- Established client base with many loyal partnerships spanning over a decade
