35050 PROFITABLE PUMP SALES & SERVICE BUSINESS - NICHE MARKET

Strongly positioned deep in the heart of the agricultural industry, this thriving pump sales and service business offers a remarkable opportunity for those interested in a rewarding role within a specialised industry. The business focuses on selling and servicing domestic, commercial, and agricultural pumps and filtration systems, alongside irrigation solutions. This extensive service range ensures that essential water supplies for households, livestock, and crops are consistently maintained and swiftly restored.

Its prime location within a bustling agri-sector fuels a steady demand, supporting sustained growth and profitability. A team of dedicated full-time staff expertly handles the day-to-day operations of both the retail outlet and the service department. Among them, two seasoned professionals operate fully equipped service vehicles, providing prompt and dependable onsite services to clients.

This business is not only profitable but also well-established, with a solid track record in a niche market. Known for its excellence and backed by a loyal customer base, it serves as an invaluable resource within the local community.

Key Features:

- Located in the heart of the agricultural sector, ensuring steady demand and diverse client base.
- Experienced team proficient in managing daily operations, with onsite services via fully stocked service vehicles.
- Profitable and well-established business with a proven track record of stability in a niche market.
