35244 PROFITABLE VIRTUAL SERVICES BUSINESS - ALLIED HEALTH PROVIDER

Ready to own a thriving virtual business? This gem has been at the top of its game for over 16 years, delivering essential admin support to Allied Health practices all over Australia. We're talking about a trusted partner that's helped countless small and medium-sized healthcare practices run smoothly and reach their fullest potential!

This business is customer-focused and packs a punch with its range of services. From friendly, customised phone answering and reception to scheduling, diary management, and event coordination, it takes care of all the details. Plus, it handles accounts admin, tailored specifically to Allied Health needs, and even offers setup and training for practice management programs, giving new practices the boost they need to thrive.

What makes this business stand out? It's a pro in essential healthcare systems like Medicare, DVA, Workcover, TAC, and NDIS. With a fully remote, cloud-based setup and VOIP systems, a team of 12 can provide top-notch support from anywhere in Australia. Strong ties with leading practice management software providers give this business preferred provider status, offering a serious edge over competitors.

Year after year, this business brings in solid profits and is primed for growth. An optimised website fuels regular client inquiries, driving organic growth and reinforcing its reputation in the industry. Perfect for anyone keen on the Allied Health sector or expanding a virtual business portfolio, this opportunity is truly turnkey.
