35255 PROFITABLE BUILDING & PEST INSPECTION BUSINESS - 6+ YEARS!

Take ownership of a reputable Building and Pest Inspection business that provides comprehensive inspection services, trusted by residential and commercial clients alike. This business has successfully operated for over 6 years, building a solid foundation of profits and growth.

From pre-purchase building and termite inspections to property damage assessments, swimming pool compliance checks, and more, the business provides all inspection services in a single visit. This unique model streamlines the inspection process, allowing clients to rely on a single provider, saving them time and boosting demand for the business. Services also include vendor inspections, new build handover defect assessments, dilapidation reports, and depreciation schedules, covering a wide spectrum of property needs and adding convenience and value for customers.

Built for flexibility, this business lets you manage your workload and daily schedule on your terms, offering a lifestyle-friendly balance. With streamlined systems and advanced reporting tech, it's set up to deliver clear, easy-to-read reports that keep customers happy and outshine the competition. Plus, an established network and regular referrals keep a steady flow of work coming in!

Key Features:

- Flexible schedule and workload management allow for excellent work-life balance.
- Advanced technology provides clear, quick reports, giving a competitive edge in customer satisfaction and clarity.
- Strong industry connections with agents, buyers, sellers, and builders ensure consistent work leads and referrals.
