Here's a sweet opportunity to dive into a business that spreads joy every single day! This thriving chocolate manufacturing and wholesale business is now up for grabs. More than just a local favourite, it has forged strong relationships with stockists all over Australia and continues to expand, with new clients joining regularly.

Located in the stunning Blue Mountains, Australia's largest tourist region with over 12 million annual visitors, this business offers easy access to the lucrative Sydney market and bustling tourism trade. With the right drive and passion, you can take this brand to new heights, growing alongside the booming tourism industry.

Since it's not an in-person retail business, you have the flexibility to set your own working hours and manage it from anywhere—whether from your home or another location in Australia. While the business primarily serves B2B wholesale customers, it also features an easy-to-use online store that captures retail sales. Their robust social media presence builds brand loyalty, enhances visibility, and drives steady growth and customer engagement.

Currently owner-operated, the business has seen consistent success. Best of all, no prior experience is needed—comprehensive training, support, equipment, recipes and all essential documents will be provided to guarantee a seamless transition.
