35261 ESTABLISHED MOTOR CONTROL SOLUTIONS BUSINESS - PROFITABLE OPPORTUNITY

Seize this rare opportunity to acquire a well-established and highly regarded supplier of Motor Control Solutions for industrial and commercial applications. With over 30 years of proven success, this business offers exceptional value, strong industry connections, and impressive growth potential.

Specialising in designing and applying custom electrical control solutions, this business provides tailored, turn-key projects that meet the unique needs of its customers. With a focus on personalised service, it supports both end-users and professionals in the electrical trades by offering product sales and expert application advice. The systems supplied are proudly Australian-made and designed, ensuring superior quality and reliability that has earned the trust of clients across the industry.

Strategically located with easy freeway access to Melbourne City and beyond, the business is perfectly positioned to serve a broad market. Its reputation within industry circles is unparalleled, built on decades of delivering quality solutions and fostering strong relationships with leading electrical switchgear companies. These partnerships not only provide access to premium products but also allow the business to offer highly competitive pricing.

Financially robust and performing exceptionally well, this business presents a solid foundation for future growth. With a thriving market and significant potential for expansion, there are endless opportunities for a new owner to innovate and expand the service offerings. Whether you're looking to step into a profitable business or expand your existing portfolio, this business offers an excellent investment opportunity.
