35188 PROFITABLE CLEANING & PEST CONTROL BUSINESS - 20+ YEARS

Now is your opportunity to step into a highly reputable, family-owned business that has been a trusted name on the Gold Coast for over two decades! Say hello to a business that blends professionalism with the kind of personal touch clients rave about.

What sets this business apart is its versatility. Unlike operators who stick to one or two services, this powerhouse offers a full suite: commercial and bond cleaning, carpet cleaning, pest control, flea treatments, and tile and grout cleaning. This all-in-one approach not only saves clients time but also allows the business to create lucrative package deals that cater to vacating tenants and a broad range of customers.

With meticulous attention to detail and a rock-solid reputation for reliability, it's no wonder this is the go-to choice for real estate agents and property managers. Referrals for bond and sale cleans are frequent, and a weekly commercial office cleaning contract ensures a steady, significant revenue stream. With glowing five-star reviews, this is your chance to own a rewarding turnkey operation with a strong foundation.

Managed efficiently from a home office, this mobile business keeps overheads low while offering flexible management. Servicing the Gold Coast from Tweed to Beenleigh, the business is already fielding enquiries from Brisbane, Logan, Ipswich, and beyond—creating exciting expansion opportunities. For the ambitious, there's potential to establish a second hub in Brisbane or nearby areas.
