35209 FIRE RATED SMART LOCK DISTRIBUTION BUSINESS

Take advantage of an incredible opportunity in the booming world of smart technology! This well-established, owner-operated business specialises in importing state-of-the-art smart door locks and distributing them to a diverse clientele, including locksmiths, door hardware retailers, builders, developers, and architects. Renowned for their premium quality, these products are fully fireproofed and meet Australian fire safety standards, making them a stylish and secure choice for modern living and commercial spaces.

As smart technology continues to grow in demand, this business is perfectly positioned to capitalise on the trend. The products have garnered international acclaim, earning prestigious awards for innovation and reliability. With minimal competition in the market, this is a rare chance to establish yourself as a leader in a rapidly expanding industry.

Operating from the comfort of a home office, this business offers flexibility and efficiency. The streamlined operations are primarily conducted online, with occasional in-person meetings in key cities to discuss high-profile commercial projects. A well-designed website showcases the range of products and stockists, ensuring seamless navigation for business-to-business clients.

The growth potential is remarkable. With exclusive sales distribution rights for commercial projects secured through a partnership with the overseas supplier, there's ample scope to expand. By implementing targeted marketing strategies and advertising campaigns, this business could attract even more clients eager to embrace the future of smart technology. Don't miss your chance to step into this thriving market with a business that's built for success!
