35353 THRIVING GARDENING SERVICES BUSINESS - 12+ YEARS OF SUCCESS!

An exciting opportunity is available for aspiring entrepreneurs and gardening enthusiasts to acquire a well-established gardening services business. With over 12 years of success, this company has earned a strong reputation for delivering outstanding garden maintenance and tidy-up services to both residential and commercial clients.

The business serves a diverse customer base, including care providers, real estate professionals, strata management companies, and the general public. Its environmentally conscious approach is a standout feature, offering chemical-free gardening solutions with a focus on native and water-efficient landscapes. The installation of efficient irrigation systems further enhances its appeal.

The business is currently operated on a flexible schedule, with systems in place to ensure seamless day-to-day operations. Administrative tasks, such as advertising, enquiries, invoicing, and scheduling, are efficiently managed using Servicem8 and MYOB, supported by additional bookkeeping services to handle payroll and financial transactions.

The team structure is adaptable, with a mix of skilled individuals contributing to the success of the business. Staff members work collaboratively in a supportive environment, fostering strong client relationships and ensuring customer satisfaction, as reflected in the business's excellent Google ratings. To facilitate a smooth transition, the current owner is offering guidance and support for the first year, allowing a new owner to confidently step into this thriving business.
