35361 PROFITABLE TOW BAR/TOWING SOLUTIONS BUSINESS - STRONG DEMAND

This well-established tow bar business is a leader in its niche market, specialising in A-frame towing systems and custom ADR-approved towbars. Known for its exceptional craftsmanship and quality workmanship, the business has built a loyal clientele who trust its reliable services.

Offering a diverse range of services, including general steel fabrication and engineering works, the business caters to a broad consumer base. With a strong demand for motorhome towing solutions, the business serves a significant number of older clients who highly value the team's expertise and professionalism. Each day brings new and varied projects, making this an exciting opportunity for someone who thrives on diversity in their work.

The business holds a strong position in the market as a trusted installer of specialised towing systems, with clients travelling from far and wide to access its services. In addition to servicing local customers, the business also undertakes out-of-state work, offering significant growth potential.

While the business currently has minimal online presence, this presents an exciting opportunity to expand through digital marketing strategies. Under the current ownership, the business has grown significantly, with improved efficiency and customer satisfaction driving increased sales. Its reputation is further bolstered by high-profile projects, making this a turnkey opportunity with excellent growth prospects for a motivated new owner.

Key Features:

- Established leader in A-frame towing installations with unmatched expertise.
- Strong client loyalty demonstrated by repeat business from satisfied customers.
