Winston Hills

18119 DOG GROOMING, PET MINDING AND DOG WALKING BUSINESS

Fantastic business opportunity in the Hills District, Sydney with amazing opportunities for growth and a great reputation.

The service is mobile and covers the Hills District New South Wales and surrounds. The business is not a franchise, therefore, the owner can travel anywhere, which is perfect for expansion or franchising.

With over 250 regular customers booked in fortnightly, 3 weekly, monthly, 6 weekly and 8 weekly, it is busy all year round. The customers have been very loyal to the business and will stay on once the business sells.

Lovely, friendly and reliable customers and happy and easy pups to groom. A large number of customers are never home so their fur kids can be seen at a time that suits the buyer. The business has not advertised for 5 years so the clientele is all word of mouth. People also see the owner working or driving by and will make contact. Currently, the owner has to turn away customers every day, and she has a waiting list as she doesn't have the capacity to take on any more clients.

Hours are generally 7am - 5pm Tuesday to Saturday, however as it will be your business you can work the days and hours that suit you!

Averaging \$115,000 annual turnover for the grooming side alone in the last 4 years (financials available) the business is doing very well with amazing opportunities for growth.

Perfect for someone wanting a more flexible lifestyle or someone already working in the industry and looking to go out on their own or expand. Easily more than enough work for two so would also suit a couple of friends or husband and wife team.
