35235 PROFITABLE BATTERY RETAIL & REPLACEMENT BUSINESS

Step into the dynamic and ever-evolving battery industry with this well-established retail business! Offering an extensive and continually growing range of products, this specialist retailer supplies batteries for automotive, recreational, and household needs. With nearly 20 years of successful trading, this owner-operated business is primed for a new owner to build on its momentum. As battery technology continues to advance, there's always an exciting opportunity to introduce innovative products to customers.

Ideally located in a central, high-exposure position with excellent foot traffic, the business benefits from a loyal customer base and a strong brand presence. Beyond the physical store, it operates a thriving online shop and provides professional automotive battery replacement services, including hassle-free roadside assistance—ensuring multiple revenue streams and a competitive edge.

Renowned for its reliability and expert service, this business presents an outstanding opportunity for a motivated new owner to drive further growth through strategic marketing and enhanced brand visibility. With optimised systems and software already in place, operations run smoothly, allowing you to step in seamlessly and focus on expansion. Whether you're an industry expert or a savvy entrepreneur, this is your chance to own a profitable, future-proof business in a booming sector!

Key Features:

- Robust online presence and well-established brand recognition.
- Sales of a diverse array of batteries and an ever-changing product lineup.
- Provides automotive battery replacement services with convenient roadside assistance.
