35398 PROFITABLE & GROWING PODIATRY PRACTICE - AFFLUENT MELBOURNE REGION

After over two decades of providing outstanding podiatric care, this well-established practice is now available for sale. Renowned for its expertise, the business serves a wide-ranging clientele seeking comprehensive foot care solutions. Whether it's sports injury management, full biomechanical assessment and orthotic therapy, electrotherapies including high-level laser and shockwave, diabetic foot care or general treatment, every patient is treated with the utmost care in a welcoming and professional environment.

Located in an affluent area of inner southeast Melbourne, this practice enjoys the benefit of being close to numerous medical facilities, creating valuable cross-referral and networking opportunities. Its prime location ensures both excellent accessibility and high visibility within the local community. The practice generates substantial revenue through direct patient care, alongside additional income from room rentals.

Over the years, significant investment has been made in creating a seamless, efficient operation, with well-equipped treatment rooms prioritising patient comfort. With established systems and processes already in place, the new owner can step into a smooth-running business from day one. The practice's comprehensive website enjoys strong Google visibility, driving consistent online traffic and attracting new patients. This is an opportunity to acquire a business with a solid reputation, built on trust and a commitment to quality service.

Key Features:

- Strong turnover and profitability with excellent growth potential.
- Established practice with over two decades of experience.
- Prime location surrounded by multiple medical practices enhancing referral networks.
