35405 PROFITABLE GARDEN & PROPERTY MAINTENANCE BUSINESS OPPORTUNITY

An extraordinary opportunity has emerged for aspiring entrepreneurs and garden enthusiasts as a highly profitable garden and property maintenance business is now available!

This established business is known for its exceptional workmanship, offering a comprehensive range of services, including lawn mowing, edging, garden and common area maintenance, clean-ups, hedging, weeding, weed spraying, plant supply and planting, as well as small turf-laying projects.

Strategically servicing both residential and commercial clients across Brisbane ensures high visibility within a thriving market. The business thrives on its loyal customer base reflecting unwavering commitment to excellence while providing flexible working hours that allow the owner to enjoy outdoor work amidst nature's beauty. With no staff required for operations—this sole-operator model offers complete control over service delivery.

Over the past five years, this business has experienced significant growth, consistently attracting new customers. Demand continues to rise, driven by Brisbane's growing population and the increasing need for reliable gardening solutions amid busy lifestyles. Annual price adjustments have been implemented while remaining competitive, reflecting the exceptional value this thriving operation provides.

Key Features:

- Highly profitable business model.
- Established, strong reputation for quality workmanship and friendly service.
- Diverse range of services catering primarily to B2C clientele.
- Significant growth potential driven by increasing demand for gardening services.
