35255 PROFITABLE BUILDING & PEST INSPECTION BUSINESS - 6+ YEARS!

Take the reins of a well-regarded Building and Pest Inspection business that has earned the trust of both residential and commercial clients. With over six years of successful operation, this business has built a strong foundation of profitability and consistent growth.

Offering a full suite of inspection services in just one visit, the business provides everything from pre-purchase building and termite inspections to property damage assessments, swimming pool compliance checks, and more. This all-in-one approach simplifies the process for clients, saving them time and increasing demand. Additional services, including vendor inspections, new build handover defect reports, dilapidation assessments, and depreciation schedules, ensure comprehensive property evaluations, adding extra value and convenience for customers.

Designed for flexibility, this business allows you to take control of your schedule and workload, making it an excellent option for a balanced lifestyle. With efficient systems and cutting-edge reporting technology, it delivers easy-to-read, high-quality reports that set it apart from competitors. A well-established referral network and strong client base ensure a steady stream of work, making this an outstanding opportunity for an ambitious buyer looking to step into a thriving, in-demand industry.

Key Features:

- Strong industry connections with agents, buyers, sellers, and builders ensure consistent work leads and referrals.
- Flexible schedule and workload management allow for excellent work-life balance.
