35416 PROFITABLE AUTO ELECTRICS BUSINESS - RUN UNDER MANAGEMENT

Discover a thriving auto electrics and air conditioning business that caters to both B2C and B2B clients in the bustling transport hub of Perth. This business excels in heavy-duty auto electrics and air conditioning for all vehicle types, with a particular focus on trucks and earth-moving equipment. Whether it's new truck fit-ups or dangerous goods installations, this business meets diverse customer needs efficiently.

Strategically located amidst numerous transport companies and dealers in the area, this operation benefits from high visibility and easy access for clientele seeking reliable solutions for their auto electrical issues or breakdowns.

Significant investments have been made into quality workmanship and exceptional service delivery ensuring that customers receive nothing short of excellence every time. With an impressive online presence bolstered by positive Google reviews despite minimal advertising efforts, customers continue to return thanks to a reputation built on a commitment to client satisfaction.

This business operates under strong leadership with a dedicated team of staff delivering top-notch services on-site and a manager overseeing operations. The current owner visits weekly to ensure everything runs smoothly while enjoying peace of mind knowing that daily operations are handled effectively.

Key Features:

- Full operational management structure allowing seamless transitions.
- Centrally located within one of Western Australia's key transport hubs.
- Diverse clientele base spanning multiple sectors including logistics.
- Consistent profit growth year-on-year showcasing robust performance metrics.
