## 35431 LUCRATIVE FABRICATION & MANUFACTURING BUSINESS – COMMERCIAL EQUIPMENT

For sale is a thriving business specialising in designing, manufacturing, and installing waste, recycling, and laundry equipment for commercial buildings. Everything is fabricated in-house, ensuring superior quality and precision in every product. With a dedicated team of installers who take great pride in their work, the business has built a reputation for reliability and exceptional craftsmanship. The team's expertise and attention to detail have been integral to the company's rapid growth and continued success.

This business offers a fantastic opportunity for someone to step into a high-growth, well-established operation. With a significant volume of forward orders already in place, the groundwork has been laid for continued success. The company is well-located in an industrial precinct, providing easy access to key clients and suppliers.

Currently owner-operated, the business can easily be transitioned to run under management, showcasing a proven and scalable structure. It has experienced rapid growth, with profitability consistently increasing year on year. With the right marketing strategy and a focus on establishing an online presence, the potential for further expansion is limitless. There is also a significant opportunity for interstate growth, offering a fantastic chance to boost turnover and tap into a larger market.
