35430 PROFITABLE WINDOW FURNISHINGS BUSINESS - RETAIL & INSTALLATION

An outstanding opportunity awaits savvy entrepreneurs and home improvement enthusiasts as a well-established window furnishings business is available for acquisition. With a strong reputation in the Logan and Ipswich areas, this retail business has built its success on providing high-quality products and exceptional customer service.

Located strategically between Brisbane and the Gold Coast, this business thrives in a rapidly growing region with numerous new housing estates emerging. Offering free measure and quotes for all internal window furnishings ensures that customers receive tailored solutions to suit their needs.

The team takes pride in offering personalised service, free from gimmicks or aggressive sales tactics. From consultation to installation, they ensure trust is built at every stage. This hands-on approach means the owners handle every job directly, without relying on subcontractors.

Despite recent health challenges leading to intentional slowdowns in operations, this business continues to thrive with consistent profits through local jobs and referrals alone. The current owners have turned down many opportunities beyond their preferred distance but recognise immense potential for expansion if desired. With training and support offered during the handover period, passionate individuals can seamlessly take over while maintaining relationships with loyal, repeat customers.
