35441 ESTABLISHED & PROFITABLE SPECIALISED COATINGS BUSINESS

This well-established business provides specialised coatings for a wide range of customers, including individuals, businesses, and industrial clients. From high-temperature exhaust coatings to automotive powder coatings, it offers expert solutions tailored to various needs.

Conveniently located in an easily accessible industrial area, the business benefits from close proximity to major transport routes and offers ample on-site parking.

With nearly three decades of experience, this operation has made significant investments in industry-specific equipment, ensuring efficient workflows and immediate profitability for a new owner. As a trusted name in the industry with limited competition in the region, the business enjoys strong demand, particularly from motorsport clients, and holds promising opportunities for expansion both nationally and internationally.

Key Features:

Specialised industry with unique offerings catering to various customer needs.

Huge variety in jobs ensuring no two days are alike.

Owner-operated model supported by two fully trained workshop staff capable of managing daily operations.

Strong online presence with established website generating leads.

Profitable performance with steady growth attributed to new products and services introduced recently.

This specialised business has everything set up for success making it ideal for
