35450 PROFITABLE GARDEN & LANDSCAPING BUSINESS – RUN UNDER MANAGEMENT

Are you in search of a reliable, profitable business with an outstanding reputation? This company offers expert grounds maintenance services for all things green and growing, building strong, long-term relationships with key commercial and residential clients, including large industrial sites. With over two decades of delivering exceptional garden and landscaping services across Brisbane, this business is a proven success.

The work never stops – in fact, there's so much demand that new projects are being turned away! The business is in a prime position for continued growth, with ongoing tender opportunities and an industry that's only getting stronger. A well-optimised website and active social media presence help drive business, while high-quality systems, policies, procedures, and compliance documents ensure smooth operations. Real-time client and WHS reporting are in place, and the business has been externally certified for over a decade, making it a trusted and reliable contractor for major clients.

This is a mobile business with modern, reliable vehicles and equipment, meaning low fixed costs and no need for a physical shopfront. Run under management with a skilled team requiring minimal owner involvement, profitability is on the rise, and the potential for expansion is enormous. Whether you're an investor looking for a well-oiled machine or a hands-on owner keen to drive growth, this opportunity ticks all the boxes.
