35456 LEADING BUILDING & PEST INSPECTION BUSINESS - PROFITABLE & GROWING

Are you ready to take charge of your future and thrive in the bustling heart of Sydney? Look no further! We are excited to present a remarkable opportunity to acquire a well-established property inspection business that caters to both buyers and sellers. This is your chance to step into an industry with immense potential while enjoying the freedom of being your own boss.

This business has built a solid reputation for conducting pre-purchase property inspections, handover construction inspections, stage inspections during construction, warranty defect inspections for newly built homes, timber pest inspections, including termites and borer detection, and advanced radar scanning for termites. With thermal and moisture scanning capabilities at your disposal, you will be equipped to detect hidden defects like never before.

You will enjoy flexibility by scheduling jobs according to your timetable while benefiting from rewarding feedback reflected in over 100 five-star reviews on Google. Established relationships with mortgage brokers, real estate agents and solicitors provide additional avenues for growth within this thriving sector.

This business allows you the freedom of working outdoors without being confined to an office environment. You won't be stuck on tools anymore; instead, you'll have the ability to influence your income directly through exceptional service delivery. The business is not limited by location either; it services areas extending all the way out towards the Blue Mountains.

Key Features:

- Steadily growing profits year after year.
- Strong online presence with excellent Google reviews.
