## 35467 ESTABLISHED NDIS SUPPORT BUSINESS - GROWTH POTENTIAL

Discover a rewarding opportunity with this well-established NDIS service provider, recognised for delivering high-quality Support Coordination and Support Work services to a diverse range of participants. Built on strong relationships and a commitment to participant-focused care, this business has earned a trusted reputation within the community.

With an experienced and compassionate team, the business takes a personalised approach to supporting individuals, ensuring they have full choice and control over their NDIS funding.

Operating in a key regional area, the service assists clients across multiple locations, extending its reach into metropolitan and rural communities. While its strong word-of-mouth referrals have driven steady growth, there is significant potential to expand through enhanced digital marketing and online presence.

The current owner actively manages the business but is open to a transitional role to support the new owner if needed. A team of dedicated casual staff is already in place, providing flexibility and scalability as demand continues to grow. To ensure a smooth handover, the current owner is willing to stay involved for a defined transition period post-sale.

### Key Features:

- Established reputation with loyal clientele built through personal connections.
- Participant-focused approach ensures tailored support aligned with individual needs.
- Experienced staff bring diverse knowledge fostering critical thinking in client assistance.
