35481 PROFITABLE ICE CREAM BUSINESS - 3 HIGH-TRAFFIC LOCATIONS

A rare opportunity is now available for entrepreneurs or dessert lovers looking to step into a thriving and much-loved business. This offering includes a group of three established ice cream stores located in prime, high-traffic coastal and city destinations in Queensland and Northern New South Wales.

Each store is well-known in its local area for serving a broad range of unique ice cream flavours, indulgent sundaes, shakes, custom cakes, catering options, and online ordering. The brand has built a loyal customer base and enjoys strong visibility thanks to its strategic locations near popular beaches, entertainment hubs, and shopping areas.

This turnkey operation is fully managed, allowing for a hands-off investment or an opportunity for a more involved owner to step in and drive further growth. Each store has its own experienced team in place, including a full-time manager and shift leaders across the sites, ensuring smooth day-to-day operations.

The current owner has streamlined staffing and systems, opening up further potential for growth – particularly in two of the locations – and is now ready to hand over the reins to someone passionate about the dessert industry.

Key Features:

- Ownership includes three thriving locations each offering unique revenue streams.
- High foot traffic areas ensure maximum customer engagement throughout the year.
- Established operational framework allows for easy transition into ownership.
- Strong marketing support system enhances brand visibility across all platforms.
