## 35486 PROFITABLE PEST CONTROL BUSINESS - GOLD COAST REGION

Nestled in the vibrant Gold Coast region, this well-established pest control business has become a trusted name in both domestic and commercial sectors. With over 15 years of operation, it boasts an impressive portfolio that includes termite inspections, treatments for active termites, bait station installations, and general pest control services. The steady stream of enquiries from various body corporates and real estate agencies highlights the significant networking potential available to an operator skilled in customer relations.

This business thrives within a community that values quality service and reliability. Its ability to maintain high standards is reflected in its large referral base filled with satisfied repeat customers who appreciate the commitment to excellence. Operating primarily through word-of-mouth recommendations solidifies its reputation as a leader in pest management solutions across the Gold Coast.

Equipped with cutting-edge technology, including thermal imaging cameras and moisture meters, alongside robust software systems like Service M8 for operations management and Xero for accounting needs, this business runs smoothly without unnecessary overheads. Clients enjoy seamless booking experiences thanks to efficient workflows that ensure timely service delivery.

With flexible hours allowing alignment with personal commitments or seasonal demands, this sole owner-operated business offers an enviable work-life balance while maintaining consistent turnover year after year. Despite its current success story on the Gold Coast market landscape, there remains vast potential for growth—opportunities such as re-engaging past advertising strategies or exploring new marketing avenues could significantly enhance visibility.
