35497 PROPERTY MEDIA AGENCY - TURNKEY OPPORTUNITY WITH GROWTH POTENTIAL

Discover a dynamic opportunity in the creative media space with this well-established property-focused content production business. Operating for over eight years, the business has built a strong reputation for delivering high-quality media solutions across sectors such as real estate, construction, and property development.

Known for its captivating visual storytelling, the business offers a comprehensive range of services including professional property videography and photography, drone aerial content, floor plans, and graphic design. A talented team of content creators, supported by efficient offshore editing partners, ensures high output and strong profit margins.

The business services a loyal and repeat client base that includes prominent players in property marketing and development. Long-standing service agreements provide reliable revenue, with many clients returning time and again due to the business's consistent quality and trusted reputation.

Key Features:

Established industry expertise specialising in high-quality content production tailored for real estate professionals.

An established client base comprising leading real estate agencies along with national home builders ensuring steady income flow.

Systemised operations supported by an offshore editing team which enhances profitability through reduced costs.

The scalability potential allows seamless expansion into new markets without significant operational changes or overheads.

A fully remote operation model ensures flexibility allowing management from anywhere whilst keeping overhead costs low.
