## 19004 GOURMET COFFEE VENDING MACHINE BUSINESS

Would you like to own a business that requires you to work less than 6 hours per week? Who wouldn't, right?

We have an amazing opportunity available for you to purchase an established coffee vending machine franchise with a long term client base, flexible working hours, extremely high returns on your time and no fixed overheads to pay. There is also huge potential for a motivated new owner to double your business.

This business comes with everything you'll need, an existing client base (all located in Brisbane), all equipment required and the professional backing, support and training from the franchise.

You'll be delivering a fully automated, gourmet espresso system that provides a coffee experience equal to any café, located right in your client's workplace and at a fraction of the café price. There are no upfront costs to the clients, offering a risk-free solution to their coffee needs and allowing for a greater potential for new business. Clients love the concept as it improves productivity in the workplace, their employees aren't wandering off on long breaks several times each day just to fetch coffee.

Your job consists of flexible, weekly 30 minute visits to easily clean and service the machines, stock them up and invoice for the weeks worth of coffees. You will be acquiring 11 machines in total, 5 are currently with clients developing steady sales. There are 6 machines available and ready to roll out to any new clients you would like to acquire and grow your business.

With a price like this, it's safe to say that it won't last long. Enquire with Bonza today for more information.
