21170 PROFITABLE MECHANICAL AND ELECTRICAL SERVICE BUSINESS – SOLD

Unfortunately, you have missed this one, but keep looking as we have plenty of other great businesses for sale - bonzabfs.com.au/businesses-for-sale/

This profitable and well-established business operates throughout the Gippsland region, offering mobile servicing of patient lifting equipment for the health and disability sector. Services include testing electrically operated beds, chairs, treatment couches, inspecting and servicing hydraulic patient trolleys. In addition to the healthcare sector, the business also offers testing for local tradespeople and kindergartens.

If you are searching for a business that will allow you to be your own boss, work flexible hours and have a stable income stream, this mechanical and electrical service business is the answer you are looking for.

This growing business has seen increased revenue for each of the past five years. The current owner has chosen only to operate 2-3 days per week to suit their lifestyle, leaving you the opportunity to grow and develop the business further with the expansion of trading hours if desired. With an expanding client base and secure contacts in place, there will never be a shortage of work.

As a full turnkey business, all the preparatory work and hours of developing relationships and much more has been done for you!

Key Features

- Lifestyle business, choose your hours
- Ultra-low voltage electrical work, training available from manufactures or online
